

KAZAKHSTAN

Regional Program "Partnership for Equitable Access to HIV Care Continuum in Eastern Europe and Central Asia"

COMPOSITION OF CONSORTIUM

ALE "Kazakhstan Union of People Living with HIV"

NGO "Human Health Institute"

NGO "Amelia"

PROJECT TERM

01.2017 – 10.2018

PROJECT PRIORITY TASKS

Contributing to the capacity building of community organizations

Monitoring the quality of services provided to the PLHIV, SW, MSM communities for compliance with the latest international standards

Promoting sustainable financing Both locally and nationally

KEY ACTIVITIES

Advocacy campaign to ensure uninterrupted access to ART.

Advocacy activities by the PWUD community in order to maintain a substitution therapy program in Kazakhstan.

Community participation in the development of standardization of services for key populations.

KEY PROJECT ACHIEVEMENTS

Positive dialogue with government organizations represented by the AIDS Regional Center, Republican AIDS Center and the Health Administrations of Kazakhstan. Willingness to implement mechanisms based on international recommendations, best practices and community needs.

Regulatory documents have been developed to provide services to key groups — with meaningful participation from the community and in an amount sufficient to effectively respond to the HIV epidemic and meet the needs of key groups

PRIORITY ADVOCACY TASKS FOR THE NEXT TWO YEARS

Increasing the sustainability and accessibility of HIV prevention, care and support programs for key populations of the Republic of Kazakhstan, considering their needs, through state funding.

Increase and improve access to high-quality timely services (counseling, diagnosis and treatment) for PLHIV in the Republic of Kazakhstan at the expense of state funding.
